

Who's on First? What's on Second?

Fort Jackson Installation Sustainability Workshop Series

Purpose

This is your opportunity to get the right folks and data into the process.

The End is Near

- **Three assignments –**
 - ✓ **Validate the Top Ten significant impacts**
 - ✓ **Identify your Proponent Organization and Team**
 - ✓ **Determine Key Data needed to measure or understand impacts (and later, progress towards reducing impacts)**

Team

- **What organization is in the best position to lead the effort and effect change?**
- **Who needs to be sitting around the table when discussing “fixes”?**
- **Think about who needs to help do the planning (team members) versus attend an occasional meeting as a consultant.**

Key Data

- **Look at the poster in your break-out room -**
What types of data do we want?
Can you fill in some blanks now?
- **Identify sources of data**

Prepare to Brief the Results

- Finalize your team briefing
- Choose a spokesperson
- Rehearse the brief together
